Little Chicken

The bawk-some friend who will always be on your side.

He's a very kind-hearted, loving, (sometimes) shy, and silly chicken who loves to make new friends!

He is best friends with Big Chicken, and he also loves to eat sunflower seeds!

Big Chicken

He might be a chill and reserved rooster, but also loves to have some fun!

He is the best friend of Little Chicken, and loves to hang out, play games (especially racing to eat the bird seeds), and talk with him!

Baby Chick

The youngest member of the crew, Baby Chick is filled with lots of joy, energy, and playfulness!
He laughs at many silly things, as well as chirp and peep when he plays with Little Chicken.

CHIRP!

Silkie

Silkie the Hen is friendly, calm, and loves to relax with Big Chicken and Little Chicken.
She likes to watch movies, read books, eat snacks, and watch the sunset in the evening!

Hello!

Silkie the Hen originally had a yellow beak (like Big Chicken, Little Chicken, and Baby Chick) in an earlier design, but was eventually changed to a gray beak.

Big Chicken, Little Chicken, and Baby Chick's oldest designs!
